"This is an SOS from the Kids"

Brothers Sim and Noah with Mother Darry Macauley

This is an SOS from the kids.

All the grown-ups take note of this.

We're finding our voice, calling you out.

You can't leave the world in fire and drought.

This is an SOS from the kids.

Please change the story, re-write the plot.

This beautiful earth cannot be lost.

Stop hurting our planet like you don't care.

There's only one world for us to share.

This is an SOS from the kids.

All the grown-ups take note of this.

Wake up and see that you must make a change.

The riches you seek will all be washed away.

This is an SOS from the kids.

Please change the story, re-write the plot.

This beautiful earth cannot be lost.

Stop hurting our planet like you don't care.

There's only one world for us to share.

Don't listen to the fat cats, they only want their cream,

Always needing oil for feeding their machines.

We must care about the animals, care about the trees.

I'll need help from you, you'll get help from me.

Please change the story, re-write the plot.

This beautiful earth cannot be lost.

Stop hurting the planet like you don't care.

There's only one world for us to share.

This is an SOS from the kids.

YOU CAN DO BETTER THAN THIS.
